THE BEARS
1-2-3-Go! *[PRINCETON and KATE drink their Long Island ice teas quickly]*
Yay! It was a tie. Rematch!

KATE
Gosh, that's nummy.

THE BEARS
Another round!

KATE
I'll get the next one, Princeton.

PRINCETON
Great!

KATE
I'll be back in a second.

BEAR #2
This time, Kate, lets get larges.

KATE
Ooooo-kaay.

BEAR #1
Hey, Princeton! How's the date going, huh?

PRINCETON
Pretty well, I think.

BEAR #1
Well you just hang in there, little man. You're gonna get some tonight if you keep working at it. Just keep your eye on the prize.
Ooh, wow! Look who's coming!

[LUCY enters]

LUCY
What's up?

PRINCETON
Hi, I'm Princeton.

LUCY
Lucy. Man, I'm beat. I still haven't figured out where I'm gonna crash tonight.

BEAR #1
See her boobs!

BEAR #2
Shhh!

LUCY
All I need is a warm mattress, you know?

PRINCETON
Well, mine's pretty cold, usually.

LUCY
It wouldn't be cold for long. Where's your pad?

KATE
[Rushing over hastily] The drinks will be right over, Princeton. Why, hello.

LUCY
I'll have a scotch on the rocks.

KATE
I'm not a waitress.

PRINCETON
Lucy, I'd like you to meet Kate Monster.

LUCY
Aww, you're dating a monster. I dated a monster once, but I got sick of picking the fur out of my teeth.

KATE
Well if your teeth are the problem I could take out a couple...

PRINCETON
Okay, Lucy, it was nice talking to you.

LUCY
Have fun with your monster. But when you're ready for a real woman, you know where to find me. *[LUCY exits]*

PRINCETON
Man Kate, I'm sorry.

KATE
No, I understand. You're irresistible is all.

PRINCETON
She just knows she can't compare to you.

KATE
I think you're wonderful, Princeton.

PRINCETON
You're not bad yourself, Kate.

BEAR #1
Take her home!

BEAR #2
She's wasted!

PRINCETON
Hey, cut that out!
[KATE is acting very drunk] Kate?

KATE
Hmmm?

PRINCETON
I, uh, I think you look really beautiful tonight.

KATE
Oh, Princeton. You look so handsome I could eat you alive.
[PRINCETON and KATE embrace very energetically and noisily]

THE BEARS
More drinks! More fun! Yay!
